OBJECTIVE

React Native Developer with 2.5+ years of experience building scalable, high-performance cross-platform mobile applications. Proficient in React Native, Redux Toolkit, Firebase, SQLite, and native SDK integration. Seeking a challenging opportunity to contribute to impactful mobile solutions in a fast-paced environment.

TECHNICAL SKILLS

Mobile Development: React Native, Redux Toolkit, React Navigation, Axios, Jest, Firebase, SQLite, AsyncStorage, Animations, React Native CLI

Native Integrations: Razorpay SDK, Branch.io, Native Modules, AAR Integration, Webhooks, Stripe

Frontend: JavaScript, HTML, CSS

Tools & Others: Git, GitHub, Postman, MongoDB, Node.js, Agile/Scrum, Heroku, Xcode (iOS Deployment)

PROFESSIONAL EXPERIENCE

Mobile App Developer

Applied Cloud Computing, Thane, Navi Mumbai (Aug 2023 - Jan 2025)

Project: Bandhan Mutual Fund Investor App

- Developed a feature-rich finance app for retail investors using React Native and Jest.
- Implemented investment module UIs, secure transaction flows, and API integrations.
- Enabled real-time performance tracking and simplified onboarding process.

Project: Bandhan Mutual Fund Distributor App

- Built a mutual fund distribution management tool for financial advisors.
- Implemented client tracking, transaction history, and portfolio dashboards.
- Delivered secure login and robust reporting features.

Project: Lasting Asset

- Developed a security and call management platform for UK-based enterprise clients.
- Integrated Android SDK and Firebase for real-time call tracking and secure data encryption.
- Enabled authentication protocols and detailed reporting modules.

Project: ITecho Health (Ascelus)

- Created a healthcare monitoring platform for hospitals and patients.
- Integrated Firebase for symptom tracking, vitals logging, and secure API data exchange.
- Supported long-term condition monitoring and clinical team collaboration.

Mobile App Developer Intern

Youth Technology, Nerul, Navi Mumbai (Apr 2022 - Apr 2023)

Project: Vendor Company Relation Manager (VCRM)

- Built a vendor relationship management tool with React Native and Firebase.
- Streamlined contract and performance tracking modules for in-office use.

PROJECTS

Fitness At Your Doorsteps (F@D)

- Developed a fitness marketplace app to find local gyms/trainers.
- Single-login module with role-based dashboard navigation.
- Stack: React Native, Firebase

EDUCATION
